

The background image shows the exterior of a school building. It features a long row of large, multi-paned windows on the upper level, with a brick base below. The building is set against a dark, overcast sky, and some bare trees are visible in the distance. The overall tone is muted and professional.

Referendum

Springfield Township School

March 10th, 2015

What is the Referendum about?

Enables the District to address critical improvements to the school building.

Captures State Grant for \$2.2 million.

Critical Needs

A photograph showing the exterior of a building with a dark, damaged roof. The roof surface is uneven, with large areas of missing or peeling material, revealing a lighter substrate. The eaves are heavily laden with long, icicles hanging down. Below the roofline, there are windows and a brick wall section. The sky is a clear, deep blue.

Roofing (main building roof)

Roofing (rear wing roof)

Critical Needs

Bathrooms

Critical Needs

A photograph of a room corner. A dark wood cabinet is on the left. A window is at the top with pink string decorations. A radiator is in the center. A white electrical outlet is on the wall to the right of the radiator. A white cord hangs from the outlet. The floor is carpeted.

Heating, Ventilation, no AC

A photograph of a brick building's main entrance. The entrance features a set of concrete steps leading up to a pair of tan double doors. A black metal handrail runs along the left side of the steps. A sign on the right door reads "PLEASE USE MAIN ENTRANCE". To the left of the steps, there are two windows with white frames and blue shutters. The ground is dark asphalt with patches of snow. The text "Critical Needs" is overlaid in the top left corner.
