Dear Springfield Elementary School Community,

New Jersey school districts, charter schools and renaissance school projects are required by statute (*N.J.S.A. 18A: 7C-6.6*) to annually notify parents or guardians by October 1 of any statewide student assessment or commercially developed standardized assessment that will be administered over the course of the school year. Accordingly, please find on the following page information regarding assessment scheduled to take place during the 2019-2020 school year.

Please note that the stated test dates are subject to minor changes. In the event of any revisions to the schedule, families will be notified of the change. Linked to the federal and state funding that public school districts receive is the requirement that 95% of our students participate in state assessments. We are very appreciative of your assistance with this through the scheduling of family plans to accommodate testing.

Please visit our district website for additional information (found under "Departments" > "Curriculum/Instruction/Assessment" > "NJSLA").

Thank you,

Craig Vaughn
