Springfield Township School District 2021-2022 Combined Consent Form

Dear Parents/Guardians:

In the past we have sent home individual copies of the consent forms detailed below. This year we are continuing to streamline this process by providing you with a brief description of this important information along with providing the information in its entirety in an email to you and on our website. This information can be found under the "Our District" tab where you can select "Opening of School Documents." You and your child are strongly encouraged to fully review these important documents prior to submitting this combined consent form. If you do not have access to a computer, please inform the main office and we would be happy to provide you with paper copies.

Please review the information below and return this combined consent form to your child's homeroom teacher by no later than September 17, 2021. Thank you for your continued cooperation.

Acceptable Use of Computer Networks, Computers and Resources

The Springfield Township Board of Education is pleased to offer our students access to the district's computers (including iPads and Chromebooks), its network, and the Internet. Students will use the computers, network, and Internet under the supervision of their teachers for instructional assignments and projects. By signing this form you and your child acknowledge the rules and regulations regarding the proper use of the district's computer network, computers, and resources. Please see the form in its entirety, including rules and regulations, by visiting our website.

District Policies

The following policies can be found in their entirety on our website with hyperlinks provided in the student handbook. By signing this form you and your child acknowledge and agree to abide by the established school procedures as outlined in the policies listed.

- ❖ Policy & Regulation #5500-Expectations for Pupil Conduct
- ❖ Policy # 5512-Harassment, Intimidation, Bullying, Cyber-Bullying, Hazing
- ❖ Regulation #5512 Reporting Procedure-Hazing and/or Harassment, Intimidation, or Bullying

Student/Parent Handbook, Rules, Consequences and School Calendar

You and your child acknowledge receipt, via email, of the Springfield Township School District Student/Parent Handbook and agree to abide by the established school procedures and district policies. You will also be acknowledging receipt of our 2021-2022 School Calendar which is included in the handbook.
